**Robin Rotenberg** receives national recognition through the INDEPENDENT PRESS AWARD®!

(FRANKLIN LAKES, NEW JERSEY, USA) -- The INDEPENDENT PRESS AWARD recognized ***POUND ON!! From the Glass Slipper to the Glass Ceiling*** by Robin Rotenberg in the category of **Women's Issues** as a distinguished favorite.

The competition is judged by experts from different aspects of the book industry, including publishers, writers, editors, book cover designers and professional copywriters. Selected award winners and distinguished favorites are based on overall excellence.

***POUND ON!! From the Glass Slipper to the Glass Ceiling***, a Distinguished Favorite in the category of Women's Issues, is a collection of positive stories of trailblazing Alpha Women, chronicling their careers as they trade the glass slipper for the glass ceiling to Pound On!! and grab for the brass ring. The book contains timelines of women's rights in the U.S. and Canada, a definition of an Alpha Woman, their stories, Common Themes, Concepts, the Rotenberg Axis of Alpha Phases, and a set of Alpha Rules. The work is meant to inspire, motivate and educate the next generation of Alpha Women as they climb the walls to the glass ceiling and Pound On!! to take a seat at the table for once and for all. The thesis recognizes the MeToo and TimesUp movements, and encourages women to never give up and follow their dreams.

In 2021, the INDEPENDENT PRESS AWARD had entries worldwide. Participating authors and publishers reside in countries such as Australia, Canada, India, Ireland, Japan, Singapore, Switzerland, United Kingdom, and others.
